WHAT IS THE NAC INITIATIVE?

The Neighborhood Advisory Council Initiative, also known as NAC, is a forum for residents to become involved in identifying and recommending positive changes to improve their neighborhoods. Each NAC meets to discuss issues, concerns and neighborhood projects.

The goal is for everyone to work together to understand the impact that quality of life issues raise, and to be proactive and creative in addressing them.

HOW DO I BECOME A MEMBER?

You are already a member! So is everyone living in any one of the 12 NAC boundary areas. The key is to become an active member. Here's how:

ATTEND

Participate in local NAC meetings and attend special NAC events

VOLUNTEER

Work on NAC projects and initiatives or join your local board.

PUBLICIZE

Promote NAC meetings and activities to your neighbors.

NAC STRUCTURE

The City of Frederick is divided into twelve (12) areas that closely overlap established police beats, voting districts and census tracts. Each NAC has defined boundaries, including detailed maps.

Each resident living within a NAC is a member of that NAC and is provided an opportunity to comment on neighborhood traffic, safety, zoning, capital improvements and other issues within their designated or adjacent areas. Each NAC shall be comprised of volunteer coordinators who, if approved, will be appointed after submitting a letter of interest to the Mayor and Board of Aldermen.
